SKILLS

Programming Language: Java, C++, Python, PHP, SQL,JavaScript, C#

front-end Technologies: CSS, HTML, Bootstrap

Frameworks & Technologies: .NET 8, Entity Framework, LINQ, Blazor, ReactJS, Bootstrap

Database Management: Microsoft SQL Server

Software: Git, Android Studio, Cisco Packet Tracer, Power BI, Excel

PROFESSIONAL EXPERIENCE

Junior Software Engineer, JustGo Technologies Limited — Jun 2025

- **Investigated and resolved 1,041** technical support cases across the JustGo platform, addressing **complex application, database, and system-related issues**.
- **Analysed** backend code using **C#** and .NET to understand **application workflows**, **business logic**, and **system architecture**.
- **Developed, modified, and debugged** JavaScript code to troubleshoot frontend functionality and investigate application behaviour.
- **Wrote and optimised complex SQL** queries using **Microsoft SQL** Server to investigate **data discrepancies, extract information, and resolve database-related issues**.
- **Analysed and troubleshot** SQL Stored Procedures, Functions, Triggers, and SQL Agent Jobs to identify root causes of system issues.
- **Independently identified** software bugs, **implemented technical fixes**, and **assisted development teams** with code-level modifications to improve system functionality.
- **Investigated API integrations** and **third-party system** interactions to resolve data synchronisation and communication issues.
- **Performed in-depth data analysis** to identify and resolve data inconsistencies.
- **Developed and maintained** SQL-based reports to support business requirements, data extraction, and reporting accuracy.
- **Conducted root cause analysis** and collaborated with developers and cross-functional teams to resolve complex technical issues and improve application reliability.

Junior Software Engineer, DMoney Bangldesh Ltd — Feb 2025 - Mar 2025

- **Maintained backend system based on C#, .Net Framework**, ensuring optimal **performance**.
- **Integrated** bank **APIs** seamlessly into the **existing system** to facilitate secure transactions.
- **Implemented** code **modifications** within the **system architecture** to **improve functionality**.
- **Conducted in-depth code analysis** and **actively** participated in **peer code reviews** to uphold best practices and coding standards.

ASP.NET Developer Intern, DMoney Bangldesh Ltd — Oct 2024 - Jan 2025

- **Developed** an Employee Management Portal using **C#, Blazor, and .NET (3-tier architecture)**.
- **Focused** on **backend development**, **API validation**, and **API integration**.
- **Focused** on **backend development**, **ensuring seamless data processing** and **system efficiency**.

Teacher, Cephalon — Feb 2016- Oct 2020

- Tutoring O Levels students, managing their learning, and designing course materials.

EDUCATION

Bachelor in Computer Science & Engineering **Feb 2021 - Dec 2024**
Independent University, Bangladesh
Minor in Management Information Systems (MIS)
CGPA: 3.58

A levels **Jan 2019 - Nov 2020**
British Council
Result: 1A, 1B

O levels **Jan 2017 - Nov 2018**
British Council
Result: 2A*'s, 5A's, 2B's

PUBLICATION

IoT Based Smart Insulin Delivery System and Diabetes Management System **May 2023**
Conference: 2023 26th International Conference on Computer and Information Technology (ICCIT)

TRAINING & CERTIFICATION

- **CCNAv7: Introduction to Networks (Student Certificate)**
  Independent University, Bangladesh
- **CCNAv7: Routing and Switching Essentials** (ongoing)
  Independent University, Bangladesh

AWARDS

- **Web Application Segment ,** TechFest Autumn 24 , **Champion**
- **Database Management ,** TechFest Autumn 22, **Champion**
- **Object Oriented Programming,** TechFest Spring 23, **Champion**
- **Microprocessor Segment,** TechFest Summer 23, **1st Runners-up**
- **System Analysis Segment,** TechFest Autumn 24, **1st Runners-up**
- **Vice Chancellor's List,** Spring 22, Summer 22, Autumn 22
- **Dean's List ,** Summer 21
- **Dean's Honors List,** Autumn 21
- **Intra University Programming competition**
